COCA COLA INTERNATIONAL

A team of 12 Canadian swimmers competed in this Annual meet held outside of London, at the National Training Centre Crystal Palace, April 9-11. The meet was competing directly with the US Nationals so no American swimmers took part and outside of the Canadian team, Australia and Hungary were there in force. There were token swimmers from other European countries.

The formerly complex scoring system was revised this year and points were awarded for finishing in the top three.

Australia won the meet winning 9 events, while the Canadians won 5.

There were no surprises outside of the very consistent performances by **Michelle Ford** and **Tracey Wickham** both from Australia who lived up to their form as shown in their summer season performances from 'down under.' Ford's time of 8:45.2 in the 800 and Wickham's 200 free time of 2:03.74 are indicative and both girls should be able to replace the retired Jenny Turrall and Sally Lockyer adequately at next year's Commonwealth Games.

The small Hungarian men's contingent performed up to their usual form with **Zoltan Verraszto** winning three events. He declared in a post meet interview that he expects the 1980 winning time in Moscow to be in the neighborhood of 4:17. for the 400 im. He should know as he held the record for a time last year.

Wendy Quirk and **Becky Smith** were double winners, while **Shannon Smith** was a surprise winner in the 100 free.

Quirk's two winning performances came in her specialty the fly events with a 1:03.11 in the 100 and a 2:16.01 in the 200. Becky's easily won both individual medley events with a sub 5 minute swim in the 400.

Andy Ritchie swam in 4 events and quite creditably in the 200 breast 2:26.96 for a 2nd and 4:36.51 in the 400 im for a 5th. **Gary MacDonald** was second in the 100 free 53.31 and 6th in the 200 im.

It's worth pointing out that these performances are quite respectable as none of our swimmers had trained long course prior to going over to the meet.

INTERNATIONAL

The American short course AAU Nationals attracted a large Canadian entry.

Nancy Garapick of Halifax Trojans was a double winner in the 200-400 individual medley with best ever yard times. **Steve Pickell**, swimming for the University of Southern California was 2nd in the 100 back and fly and 5th in the 200 free. Other Canadians placing in the finals were Gail Amundrud 100-200 free; Robin Corsiglia, 100-200 breast and Lisa Borsholt 100-200 breast. Edmonton's Cheryl Gibson was 2nd in the 200 back and 3rd in the 400 im.

All the women's winning times were US records, but then there hasn't been a short course nationals for them since 1975, so they just catching up!

PROGRAM DEVELOPMENT COORDINATOR

Doug Fraser, CASA Executive Director recently announced that Jim Shaw, of Toronto, was appointed to the position of Program Development Coordinator.

Jim brings to the position extensive experience in competitive swimming and sport research.

As a competitor Jim competed in CASA meets for 10 years, 5 of which he spent as a member of Canada's National Team. He competed successfully at many International Games, with notable results at the 1967 Pan Am's where he won a silver and a bronze medal, as well as being a finalist in the 1968 Olympics (5th in the 100 back).

He has been coaching with the Swimtec club in Toronto for the past 4 years and developed one swimmer to the National Team.

He has been involved with Swim Magazine since its inception doing basic research, interviews and statistical analysis.

Jim is a graduate of the University of Toronto, with an Honours Bachelor of Science in Comparative Physiology.

His new position at the National Office will require him to evaluate and analyze swimming programs, prepare statistical reports, co-ordinate the activity of key resource persons and research projects.

PROCEDURE FOR CERTIFYING OFFICIALS

Level 1 Initial — Small Red Badge

For lane timer, Place judge, and Marshall, the candidate shall:

a) Attend a clinic and write an examination covering all three positions.

b) Be evaluated and approved by a CASA Senior or higher official while working as an apprentice in the capacity to be certified at a minimum of two sanctioned swim meets in any one (1) of the above positions.

Level 2 Intermediate I—Large White Badge with red border and red writing.

For Starter, Cheif Place Judge, Chief Timer, Stroke/Turn Judge, Meet Manager, Recorder/Scorer, and Clerk of Course, the candidate must:

a) Be certified in all the positions in Level 1.

b) Attend a CASA Officials clinic given by the Provincial officials Committee and pass the examination for any two of the positions listed above.

c) Be certified by a CASA Senior Official, a Master Official or the Provincial Chairman of Officials in any two or more of the above positions while working at a minimum of two (2) sessions for each of these positions at sanctioned swim meets.

Level 3 Intermediate II — Large Red Badge, no designation, with White writing. For starter, etc. same as Level 2.

a) Be qualified in Level 2.

b) Attend a CASA Senior Officials Clinic(s) given by the Provincial Officials Committee and pass the examinations in all the positions in Level2.

c) Be certified by a CASA Senior Official, a Master Official or the Provincial Chairman of Officials in at least four positions in Level 2 while working at a minimum of 2 sessions for each position as sanctioned swim meets.

Level 4 Senior Official — Large Green Badge with Designation.
The candidate must:

a) Be certified in all positions in Level 3 plus the Referee's examination.

b) Have a minimum of one year's experience in active officiating in CASA sanctioned swim meets in most capacities.

c) Be evaluated and approved by a CASA Master Official, designated by the Provincial Chairman of Officials, while working at a minimum of two (2) sanctioned swim meets to be decided upon.

d) Have organized and conducted a minimum of two officials clinics.

Level 5 Master Official — Large Blue Badge with designation.
The candidate must:

a) Be certified as a Senior Official.

b) Have a minimum of one (1) year's experience as a Senior Official in CASA sanctioned swim meets acting in most official capacities including Referee.

c) Have organized and conducted a minimum of two (2) officials clinics at Level 2 or above.

d) Be certified as having worked at a National, National Team Selection, International Class or such other Nationally Designated meets as approved by the National Chairman — Officials Certification.

In order to remain on the active list all officials must have worked a minimum of two (2) sanctioned swim meets in a year.

Note

1) The initial clinic must be so structured that the candidate is given a comprehensive run down of how a swim meet is run and what each official does. The candidate will then write the examination which will be corrected by the examiner with the group. This is to ensure that the candidates are aware of their mistakes.

2) The Provincial Officials Committee is the body or system set up by the Province to monitor clinics and arrange for practical evaluation.

3) In areas where these procedures cannot be enforced to the letter of the law, Master Officials may use their own discretion in applying these procedures.

POUR FAIRE PROGRESSER LA NATATION AU QUEBEC

La natation de compétition au Québec est à un point tournant de son histoire. Il y a en effet de plus de ressources humaines et matérielles en natation au Québec, mais de moins en moins de programmes d'entraînement pour l'élite. C'est ainsi qu'il y a un fossé énorme entre l'élite de la natation au Québec et sa relève: les clubs de Pointe-Claire et des Sélect possèdent à eux seuls tous les nageurs de la catégorie "A" de l'institut des Sports du Québec. Cela ne veut évidemment pas dire que la situation est sans espoir et que les autres clubs de la province ne peuvent arriver à produire des nageurs de haut niveau. Mais il va falloir, si l'on veut que la natation au Québec progresse, que les jeunes nageurs québecois puissent accéder à un entraînement valable dans leur milieu géographique propre.

Pour en arriver à un telle situation, il faudra que l'on transpose dans chaque région ou chaque club du Québec un atmosphère d'entraînement d'excellence.

C'est donc dans cet esprit que nous avons décidé d'organiser cet été à Québec, au PEPS de l'Université Laval, un camp d'entraînement divisé en 3 sessions de 2 semaines chacune (soit du 10 juillet au 19 août 1977) dans le but de réunir les nageurs et entraîneurs du Québec intéressés à suivre pendant une courte période un entraînement intensif et organisé entraîneurs du Québec. Cette initiative est approuvée et encouragée par la Fédération de Natation du Québec. De plus, ce camp bénéficie d'une bourse de la Fondation Palestre Nationale Inc. et a l'avantage d'être incorporé au programme de l'Ecole des Sports de l'Université Laval.

Lors de ce camp, les nageurs participants pourront vivre deux séances quotidiennes en piscine de deux heures chacune et participer à toutes sortes d'activités complémentaires. De leur côté, les entraîneurs participants pourront assister aux séances d'entraînement, discuter avec les entraîneurs responsables de technique d'entraînement, de psychologie d'entraînement, de programmation et d'autres sujets; on organisera de plus, avec l'aide de la Fédération des conférences pour entraîneurs. De façon générale, l'atmoshpère qui entourera le camp sera pour tous un excellent élément de motivation.

Les clubs appelés à se développer seront sûrement intéressés à envoyer leurs entraîneurs et leurs nageurs à ce camp. Les intéressés peuvent obtenir de l'information additionnelle et des formulaires d'inscription en écrivant à:

SHORT COURSE

TOP AGE GROUP TIMES (S.C.) 1977

Another successful winter short-course season has been completed with the top 50 performances in four age groups and 86 events herein listed.

The performances listed in this special 16 page supplement to our May issue have been compiled for times done between *October 1, 1976 and April 1, 1977* which was the duration of the short course season, that is the period when all times are listed for 25 metre course only.

The veritable avalanche of time cards we received enabled us to publish a full list *for all 86 events*. The monthly top 15 list was made much easier by the very prompt arrival of the cards with a meet result from most of the major meets. A suggestion to meet managers would be to send their cards *first class* in order to speed up their arrival and thus helping to make the monthly rankings more up to date.

All the areas of the country are represented except Prince Edward Island and the Northwestern Territories.

The scoring of the the top 25 clubs shows that Hyack SC has moved into the top spot from having being second last summer, with the Thunderbolts droping to third.

The 1977 summer season is now under way. The cut-off times for 50 m pools has been circulated in late March. If you don't have a copy, write to us. The long course period will extend from *April 1 until September 1, 1977 and* and all performances in that period must be over 50 meter pool.

Good luck to all !

INTRODUCING

1,500 hours of battery life! No sun is too bright for these STT electronic stopwatches.

STT ELECTRONIC DIGITAL TIMERS

This pocket size timer is both dependable and convenient. Dependable, because like every STT unit the battery lasts 1½ years with normal use. Convenient, because the STT has the full line of functions; standard start/stop, time out, total split, interval split and a memory feature which can recall both total time splits and interval time splits, simultaneously. That means when timing a relay, you can get each individual contestant's time and still get the total time for the relay team. No more adding or subtracting to get relay splits.

You can also time two contestants' finishing times and get the difference between their times. You can even time two events simultaneously. For example, you can time a mile run and time several 100 yard sprints at the same time. A great feature for work-out timing.

STT 200

STT 300

The STT 300 has two modes. Total (cumulative) split ***or*** interval (Taylor) split, In the total mode you can time as many total splits as desired. You can also get finishing times of two contestants in the same event. When used as a interval split timer you are able to time interval splits (lap times or relay splits) without losing 1/100 of a second. Other functions include standard start/stop and time-out feature. That means the STT 300, even without the memory function of the STT 200 (which can retrieve the time from either mode), does more than any mechanical and most digital timers.

Speedo® just made a great new accessory for every swimming team in the world.

Now you can see the '76 Olympics all over again. Because working with F.I.N.A., Speedo just made a fantastic four-part film that brings it all back to you. A lot closer than it was on TV.

You'll see the world's greatest swimmers, divers, and water polo teams. In practice. In competition. In close-up. In slow motion. And even underwater, so you won't miss a single trick. And to help you learn even more, we've interviewed the finalists and their coaches.

This film's a real must, all right. For every swimming, diving, and water polo team in the world. And it's available right now. In four different parts:

The Prelude — 15 minutes. Swimming — 32 minutes. Water Polo — 20 minutes. And Diving — 20 minutes.

You can rent the Prelude plus one other section for $40. The Prelude plus two other sections for $45. Or rent the whole 87-minute film for only $50. Or, if you like, you can buy a print outright.

But no matter how you get this film, one thing's for sure: The sooner you show it, the better your team's going to be. So get in touch with us right now for more information.

Our '76 Olympics film.
